- Questions

# ABOUT ODOT

A graphic titled "ODOT'S MISSION" featuring the ODOT logo at the top. The background is a blurred image of a highway with red laser lines. The text is white on a dark background.

**ODOT'S MISSION**

To provide easy movement of people and goods from place to place, we will:

- Take care of what we have;
- Make our system work better;
- Improve safety;
- Enhance capacity.

With the mission to provide safe and easy movement of people and goods from place to place, the Ohio Department of Transportation (ODOT) supports the state highway system and promotes transportation initiatives statewide.

As a more than \$3 billion per year enterprise, ODOT invests the bulk of its resources in system preservation through maintenance, construction, and snow and ice operations.

# DBE CERTIFICATION

# ODOT'S DBE PROGRAM

- DBE Goal (15.6%) - Federally funded Construction Projects (highways, bridges, engineering/consulting services, etc.)
- DBE Development Goals - Federally funded Consultant Contracts
- In FFY20, DBEs were awarded/committed \$104M in federal funds
  - Prime contractors made \$83M in commitments to DBEs
  - DBEs received \$21M in prime contracts

# SOCIAL DISADVANTAGE - REBUTTABLE PRESUMPTION

- ⦿ Members of one or more groups listed are rebuttably presumed to be socially disadvantaged:
  - ⦿ Women
  - ⦿ Black Americans
  - ⦿ Hispanic Americans
  - ⦿ Native Americans
  - ⦿ Asian-Pacific Americans
  - ⦿ Subcontinent Asian-Pacific Americans
- ⦿ If not a member of the presumed class, burden of proof lies with applicant.

# LEVERAGING DBE CERTIFICATION

- Agencies (FAA, FTA, FHWA) that receive funding have DBE goals:
  - ODOT
  - Local public agencies receiving federal \$\$\$ through ODOT
    - City of Cincinnati, Hamilton County, other cities and counties
  - Transit systems
    - COTA, METRO, Dayton RTA, Rural Transit
  - Airports
    - John Glenn International, CVG, Dayton International, Cleveland Hopkins
  - Interstate Certification
    - Do business with surrounding states

# CERTIFICATION PROCESS

# DBE PROGRAM ELIGIBILITY GUIDELINES

- Presumed socially and economically disadvantaged owner must hold at least 51% ownership interest in DBE applicant firm
- Presumed socially and economically disadvantage owner must manage and control the DBE applicant firm
- DBE applicant firm must be considered a Small Business ([as defined by SBA standards](#))
  - ❑ 3-year average annual gross receipts including its affiliates cannot exceed \$26.29 million (up from \$23.98 million) to qualify for DBE certification
- Personal net worth <\$1.32 million
- DBE application firm must be an Independent business

# APPLICATION

- ④ [UCP Application | Ohio Department of Transportation](#)
- ④ Uniform Certification Application
- ④ Personal Net Worth Statement
- ④ NAICS Code Descriptor Request Form

# CERTIFICATION PROCESS

1. Follow DBE application instructions at [www.ohiucp.org](http://www.ohiucp.org)
2. Intake review-All required documents **MUST** be submitted; if documents are missing email request sent to firm
3. When ALL required documents are submitted, file will be assigned out to analyst to perform desk review
4. If analyst needs additional information during desk review, a request for information will be sent to firm
5. Once desk review is complete and all information requested has been submitted, an onsite visit will be scheduled
6. Certification decision issued

# CERTIFICATION PROCESS - TIMEFRAMES

- Intake review-Certifying agency must request missing required documentation within 30 days of submission; if application and all required documentation is submitted by firm, file gets assigned to analyst for desk review
- Within 30 days of desk review, additional information may be requested by analyst
- When file is deemed complete, onsite visit will be scheduled
- Certification decision may take up to 90 days once application is deemed complete. An extension of time may be needed; firm will be notified
- Additional information may be requested at any time during the DBE certification review process

# CERTIFIED, NOW WHAT?

- ⌚ Once DBE certified, firm will remain certified as long as it meets the eligibility requirements of the DBE Program (49 CFR Part 26)
- ⌚ DBE certified firms **MUST** submit a notice of change within 30 days of that change happening
- ⌚ An annual declaration must be submitted each year on the original date the firm became DBE certified along with complete copy of federal tax returns

# INTERSTATE CERTIFICATION

- A firm must be DBE certified in its home state before applying for DBE certification in Ohio.
- To apply for DBE certification in Ohio, out-of-state firms must submit an Interstate Certification Request form and all documents that were submitted to its home state for DBE certification, as well as any correspondence from the home state to DBE firm, notices of change, and annual declaration documents

# ACDBE

# WHAT IS ACDBE

- A business, located on an airport that is engaged in the sale of consumer goods or services to the public
- A business conducting one or more of the following covered activities, even if it does not maintain an office, store, or other business location on an airport:
  - Management contracts and subcontracts
  - a web-based or other electronic business in a terminal or which passengers can access at the terminal
  - an advertising business that provides advertising displays or messages to the public on the airport
  - a business that provides goods and services to concessionaire

# ACDBE

- 3-year average gross receipts cap of \$56.42 million for applicant firm and its affiliates
- The following types of businesses have size standards that differ:
  - Banks and financial institutions: \$1 billion in assets;
  - Car rental companies: \$75.23 million 3-year average annual gross receipts;
  - Pay telephones: 1,500 employees;
  - Automobile dealers: 350 employees.
- Check applying as ACDBE located on application page 5 (at top) and complete ACDBE Section 5 on page 13

**DOING BUSINESS WITH ODOT:  
SMALL BUSINESS  
ENTERPRISE (SBE)  
SET-ASIDE PROGRAM**

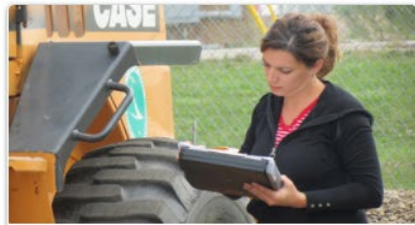

# DOING BUSINESS WITH ODOT: SBE SET-ASIDE

- ODOT's Small Business Enterprise (SBE) program was established to ensure that small businesses receive fair opportunities to participate in ODOT federally funded contracting and consulting activities as prime contractors
- The SBE program is a race/gender-neutral program that restricts competition for prime contracts on certain federally-funded highway construction and design contracts
- SBE projects are \$2 million and under and include culvert replacement, bridge repair/replacement, geotechnical design, environmental consulting, etc.
- The SBE Program is a Set-aside program

# DOING BUSINESS WITH ODOT: SBE SET-ASIDE
